AMENDMENTS TO THE CLAIMS:

This listing of claims will replace all prior versions and listings of claims in this application.

1. (Currently Amended) A food additive in a granulate form, the food additive comprising: a plant natural product having a spherical surface; and a coating on the plant natural product, the coating comprising at least one of lecithin and a lecithin derivative and wherein the lecithin and/or lecithin derivative is present in an amount greater than about 50 percent by weight of the coating:

wherein the weight of the coating is greater than the weight of the plant natural product.

- 2. (Canceled).
- 3. (Previously Presented) The food additive according to claim 1, wherein the lecithin and/or lecithin derivative is present in an amount of at least about 70 percent by weight of the coating.
- 4. (Original) The food additive according to claim 1, wherein the plant natural product comprises a seed.
- 5. (Currently Amended) The food additive [[according to claim 2]] <u>according to claim 3</u>, wherein the plant natural product comprises a seed.
- 6. (Currently Amended) The food additive [[according to claim 5]] according to claim 4, wherein the seed comprises a poppy seed, a rape seed, a flax seed, a mustard seed or a millet seed.
- 7. (Previously Presented) The food additive according to claim 1, wherein the lecithin derivative comprises phosphatidyl serine.
- 8. (Original) The food additive according to claim 1, wherein the coating further comprises at least one of a vitamin, a flavoring agent, a trace element, a pharmaceutical

NY01 1771162 v1 2

active substance and a pharmaceutical active components.

9.	(Original)	The food	additive	according t	o claim	1, wl	herein	the c	oating	furth	ıer
comprises a plurality of layers.											

- 10. (Original) The food additive according to claim 1, wherein the coating has a constant layer thickness.
- 11. (Original) The food additive according to claim 1, further comprising a protective layer on the coating.
- 12. (Original) The food additive according to claim 11, wherein the protective layer comprises a film or a wax.
- 13. (Original) The food additive according to claim 1, wherein the weight of the coating is greater than the weight of the plant natural product.
- 14. (Canceled).
- 15. (Canceled).
- 16. (Canceled).
- 17. (Currently Amended) The composition [[of claim 14,]] of claim 1 wherein the plant natural product is a seed [[is]] in its natural state.
- 18. (Canceled).
- 19. (Canceled).
